

Mission Statement

*Provide Leadership
for the Growth of the
Ready Mixed Concrete
Industry in Alberta*

GOALS

1. Market/Promote Concrete, related products and services
2. Provide Representation to Regulatory bodies, Specifiers, Elected Officials and the Public
3. Provide Networking Opportunities
4. Provide Education and Training

INDUSTRY GUIDING PRINCIPLES

- Integrity
- Partnership
- Excellence
- Innovation
- Pride

GOALS

1. The Ready Mixed Concrete Industry will be guided by visionary leadership.
2. We will be a customer driven, service oriented, quality business.
3. We will be viewed by our community as an environmentally responsible industry that operates in a safe and healthy manner.
4. We will create a work environment where our employees are highly trained and empowered to anticipate and respond to customer needs.
5. We will seek to develop and promote successful, mutually beneficial relationships with customers, suppliers, communities and the construction industry.
6. We will create a Ready Mixed Concrete Industry that is successful.

- Annual General Meeting
- Convention
- Annual Golf Tournaments

MEMBERSHIP DIRECTORY

ARMCA publishes the Directory of Producers, Associates and Affiliates, and includes supplier advertising. Distribution includes the membership, government agencies, architects, engineers, specification writers, developers, and contractors.

COMMITTEES

ARMCA is committed to providing leadership in our industry. The following committees are in place to establish this:

Agricultural — Convention — Environmental
Pump Operators — Residential — Transportation

CONCRETE PAVING

A promotional priority for ARMCA. This program will also assist producers in rural centres to promote "permanent" pavement opportunities.

DURA-MIX

A registered trademark and name for a superior durable concrete in exterior flatwork.

INSULATED CONCRETE FORMS

Promotion of concrete for above grade structures in residential and commercial construction.

INTERNET

Promotional and Marketing opportunities are available on our internet website. Information and Education sections are also updated for member convenience.

TECHNICAL TRAINING PROGRAMS

- Concrete Technology Level 1 & Level 2
- ACI Field Testing Certification
- Concrete Finishers Certification
- Drivers Certification
- Plant Certification
- Pump Operators Certification

Membership value in Alberta Ready Mixed Concrete Association is partly achieved through the reduced rates available to members, for the different training courses offered each year. This value is attainable by becoming a member and continuing to renew membership year after year. Based on each member's history of continuous membership, the following policy will be used to determine eligibility to access these reduced course rates:

1. If a member's history shows continuous, year after year, membership dues have been paid, their access to reduced rates on courses will be automatic.
2. If a member's history shows that they only join ARMCA in the year(s) they need to access the different training courses, they may not be eligible for the reduced course rate.

The Board of Directors will make this determination and their decision will be final.

APPLICATION FORM

All applications must include TWO reference letters from current ARMCA members.

- Producer No. of Plants \$560 each
- Associate No. of Axels \$ 46 each
- Associate General \$ 965
 Cement \$11,550
 Admixture/FlyAsh \$3,475
- Affiliate General \$ 320
