The Chemical Company

**We Proudly Support
The Alberta Ready Mixed
Concrete Association**

We salute you for your dedication to the industry that has helped make us all successful. BASF provides high performance admixtures and leading edge technology so you can offer:

- Self-Consolidating Concrete
- Liquid Sand for Improved Mix Designs
- Glenium® Supers for Workability
- Chromix®L for Colorful Concrete

We back our commitment with superior field service and innovative solutions designed for more profit per sale.
